To Our Clients, Partners, and Staff

RE: TBCDC Response to the Coronavirus (Covid-19)

As the news and the response to the Coronavirus (Covid-19) continues to evolve, we wanted to share with you Tampa Bay CDC's response to this crisis. We are monitoring all information from health officials, the Center for Disease Control, and other government agencies closely to ensure we are responding in a responsible manner. Our primary concern is always for the health and safety of our clients, team and partners as we navigate in this difficult time.

As we monitor the situation and assess risks, we continue to implement changes to ensure a high level of safety. We have decided to cancel our all classes for March and April, including homebuyer education and Financial Fitness. We believe this is the appropriate course of action given the present state of affairs. We encourage our homebuyer education clients to take the HUD Approved EHome America on line class at [www.ehomeamerica.com/tampabaycdc](http://www.ehomeamerica.com/tampabaycdc) if they need to continue on their home buying journey during this time.

Our counselors will continue to be available to clients by phone or Skype but will not be doing in person appointments until further notice. We recommend that clients reach out to their counselors for more information.

We appreciate your continued support during this time and appreciate your patience and understanding. Please check our website and Facebook page for updates.

Sincerely,
